

Jobseeker Short Course Case Study

Mark Venis – Energy Awareness - Teesside

Mark was introduced to Group Horizon after finding himself unemployed for over 4 years. Mark had previous experience of labouring and manual work and as such put himself forward for the Energy Awareness programme run by Group Horizon at their Middlesbrough centre.

“I was out of work with no permanent address,” said Mark, “I saw this course as a way to help pick myself up and find my self-confidence again”.

Over a 7 day period Mark successfully completed the Energy Awareness programme and achieved his CCNSG Site Safety Passport . Mark really enjoyed his time on the course, *“I felt supported and well looked after”* and he wouldn’t hesitate to recommend this course to others.

On completion of his training with Group Horizon Mark secured employment through P.M.P Recruitment at Tesco Warehouse in Teesport. He puts his job success down to the training and confidence boost he received whilst taking part in Group Horizon’s skills programmes, *“Thanks to Group Horizon for giving me my confidence back”.*
